THE BAPTISM OF JESUS.

Jesus had a cousin by the name of John. In the Bible be is called John the Baptist. This name was given bim because he baptized many people in the river Jordan. John had his home in the wilderness. There God taught him and prepared him for the great work he had to do. As John grew to manhood he became a great preacher. STUDYING THE SCRIPTURES The people traveled from many places to hear bim. He told them that Jesus was soon coming among them and that Meeting Heid and the Approach they must put away their ains so that they would be ready to meet Jesus. Many confessed their sins and were baptized by John in the river Jordan. NEWARK, N. After Jesus was baptized he went to committed a sin and why can't we do that? Because we are not trying to live. The devil wanted Jesus to sin so that his work on earth would be a failure. The Father helped His Son to keep from sin and Jesus will help us if we will ask him. Jesus fasted forty he was weak from fasting and so very temptation and said, "If thou, be the Son of God command that these rocks be made bread." Man cannot work miracles to help themselves in trouble, and as Jesus was our example he must live as men live. If he had turned stones into bread because he was bungry he would have been gratifying himself. Jesus would not fail in one single point, so he answered, "It is written man shall not live by bread alone but by every word that proceedeth out of the mouth of God."
